

Fantasy - General Groove (feat. Anne Farr)

(Eric Michael Cap)

[Intro]

[Verse]

You got my picture on your wall
You want it bad, I want your money
In the flesh you can lay me bare
I can make your dreams come true
Forget your troubles I'll set you free
And if you pay my rent
You can play with me
Use your imagination
Excite me, and...

[Chorus]

I'll be Your FANTASY
I will be I will be
FANTASY
Anything that you want me to be
I'll be Your FANTASY
I - I - I'll be Your FANTASY
Hey yeah-yeah / I - I - I - I

[Verse]

If you take me out on the town
I'll show you such a good time baby
Private times, secret lines, you wanna get some?
My lovin's warm tonite
Chasing fantasies there's no rule we can't break
Footloose & fancy free, all you've got I can take
I'll make you happy and satisfied
C'mon and call me, and...

[Chorus]

I'll be Your FANTASY
I'll be Your FANTASY

FANTASY

I'll be Your FANTASY

I'll be Your FANTASY

I - I - I'll be Your FANTASY

Yay-yeah-yeah / I - I - I - I

Bring it to me baby

Bring me all your love now

Bring it to me baby

Show me what you got now
