You've always been so good to me  
You give me everything I need  
And when I get down on my knees  
I know you're smilin' daddy's pleased

I know your love is so so good  
I know you love the way I should  
You are my strength my power Lord  
You are my guiding light and I wanna be

I Wanna Be Down with God  
I Wanna Be Down with God  
I Wanna Be Down with God  
I Wanna Be Down

I Wanna Be Down with God

When I feel alone you're there  
Your Spirit's present everywhere  
I'm making time 4 me to change  
The empty sin I do in vain

I know you love the way I should  
You are my strength my power Lord  
You are my guiding light and I wanna be

[Bridge - Rap over Hook]

I'll be The G-E-N-E-R-A-L that's me  
With the G-R-O-O-V-&-E  
I'm the rockin' mic with the lyrics that fly  
I'm talking spiritual freestyle 'cause I can rock pie  
Time to get in line with this Gold Street enterprise  
Just open your eyes and you will realize  
A heavenly cause with a twist, the holy kiss  
That's why we're straight out comin' at ya like this

[Chorus]

I Wanna Be Down with God

I Wanna Be Down with God  
I Wanna Be Down, Down, Down with God
